

Special Junior Patch

A special Junior patch has been approved for Junior members to support the National President's Project, too! We want all Junior members of any age to get involved in some activity or another to raise money for this worthwhile cause.

Any Junior can earn a patch if she raises at least \$5 for each year old of her age. That is, a 5 year old should raise at least \$25 (5 x \$5) and a 17 year old should raise at least \$85 (17 x \$5). The patch has the logo above in a blue circle.

Donations can be raised a variety of ways. Juniors can solicit donations from family, friends, Legion Family, or others. Fund raising activities can be coordinated such as bake sales, serve-a-thons, other sales, etc. It can be raised individually or as a group. The goal is for the youth to be involved and aware of the scholarship project.

Get involved today!
