

The Veteran

The auxiliary is there to lend a helping hand
To all our veteran's throughout this land

Some had to give up their life
A leg an arm or even their sight

Let's never forget what the veteran has done
For in all the wars they have won

The right to freedom and justice for all
Thanks to those veteran's who came when called

I say hail to the veteran's who gave us a treat
For this life we have that is so sweet

So let's give thanks to veteran's everywhere
For this great freedom that we all share
